At our Women's Transitional Housing, approximately 2 women each month move on to permanent housing. It costs a lot to move and set up a new home so we try to supply each woman with a bin full of the basics to help.

Fred Victor will:

- Provide a presentation to your group/team about Fred Victor – Prior to the donation collections (if you would like)
- Deliver the Home Starter Kits to Women's Transition to Housing

The Experience:

- Providing Home Starter Kits offers a hand up to the women who have completed the Women's Transition to Housing Program
- Volunteers equip these women with items to set up their new home and volunteers gain a deeper understanding about the vital community work that helps our community members rebuild their lives
- We will thank you and acknowledge the drive on Fred Victor's Twitter account
- You will receive a Thank You letter
