

Underwear Drive

The Details:

Drive Length: 1 month (flexible)

The Need:

Fred Victor has two drop-in programs, two shelters and a respite centre. These sites all help people who are experiencing deep poverty and homelessness. We receive many donations of used clothing but we never have enough underwear. A new underwear drive could fill this need.

The Activity:

Items to collect:

- Cotton packaged underwear of various sizes (all genders)
- Large and Extra-Large are in high demand
- Incontinence supplies
- Monetary donation goal of \$500

Fred Victor Will:

- Provide a presentation to your group/team about Fred Victor prior to the donation collections (if you would like)
- Deliver the collected items to the program site where it is most needed

The Experience:

- By learning about the issues our community members face, you will be able to understand and support the vital community work that helps them rebuild their lives
- The completion of the underwear drive and donation will provide our community members with access to an item that is in high demand
- We will thank you and acknowledge the drive on Fred Victor's Twitter account
- You will receive a Thank You letter
