

**Concurrent Disorders Support Services Client Treatment Consent to the
Collection, Use and Disclosure of Personal Information**

To protect your privacy, CDSS follows the Ontario Personal Health Information Protection Act.

To provide you with service, CDSS needs your consent (agreement) to collect, use and disclose your personal information for the following purposes:

- Coordinate your care and services among current, referring and partnering agencies.
- Determine your eligibility (from your application form, calls and possible meetings).
- Assess your needs, based on your own information, information from your current or referring agency and information from diagnostic, hospital or agency reports.
- Develop service and discharge plans.
- Refer to other agency services in the partnership that meet your request for service.
- Refer to services outside the partnership that you agree meet your needs.
- Contact you or leave messages, either directly or through persons/ organizations that you list on your application form. (Please do not include any names/ places you do not wish us to call.)
- Provide information for program development, research and evaluation. Please note that information used for these purposes will not identify you.

The CDSS is a partnership of agencies. The partners are:
