Why Fred Victor?

For over 125 years, Fred Victor has been a leader in providing place and purpose to people in need in Toronto. Our mission is to improve the health, income and housing stability of people experiencing poverty and homelessness. We are committed to ending chronic homelessness. This is an ambitious and bold goal but we believe, achievable.

The purpose of the Mental Health Court Support Program is to assist people charged with low-risk criminal offences to access and utilize mental health services and other supports and navigate the justice system. Provides mental health support and triage, facilitates mental health release planning and diversion for eligible individuals, consultation services, short-term limited case management services. Consultation and support is also provided to family members, friends, legal personnel, health/mental health service providers, and the greater community. Individuals can be released from custody and may be diverted out of the regular stream of the CJS, by virtue of their voluntary participation in the program.

Does this sound like work you want to be a part of?

We offer a supportive environment, an opportunity to join a diverse team of caring professionals and a chance to make a difference. With over 60 programs and services and more than 21 sites, there are lots of opportunities to grow your career with us. Many members of the management team started in relief and front-line roles.

What You Will Do:

- Provide intake, assessment, and brokerage case management services, utilizing a client-centered, strength-based, harm reduction approach to clients experiencing mental health, addictions and justice issues and supporting clients through the court system.
- Provide support with Service Plans at Toronto Regional Bail Center 2201 Finch Court.
- Arranging court-ordered psychiatric assessments.
- Providing support and assistance to family and friends.
- Providing consultation to the judiciary, Crown and defense counsel on cases referred for disposition, recommending services and terms to be included on probation orders and conditional sentence orders.
- Establishing and maintaining working relationships with Judges, Crown Attorneys, Duty Counsels, and other Court personnel, community agencies, forensic units, hospitals, and detention center.

- Providing support, consultation and information to the Crown Attorney and other offices of the Court on community and mental health services. When the accused individual is linked and following through with the service care plan, the employee will present the information and recommendation for diversion to the Crown for those individuals who are eligible for diversion.
- Providing education to mental health facilities and agencies about Mental Health Court Support Services and the court process.
- Providing education to the justice system and the police about mental health and addiction issues.
- Coach or assist a client in the development/maintenance of abilities relating to activities of daily living, self-care, crisis management strategies, symptom management, maintaining a support network, and skills teaching such as budgeting, grocery shopping and other life skills.
- Assess the client's support needs weekly based on indicators of stability (i.e., daily living skills, housing stabilization, finances, connection to primary healthcare, social networks, vocational and educational goals, environmental resources, etc.)
- Draft clear coordinated care plans (CCPs) for each client that advance client's immediate needs and mid-term goals. Reassess and adjust those plans periodically throughout the service.
- Develop and maintain suitable community partnerships using community mapping tools as available resources for the clients.
- Reassess and follow up on client needs. Work to remove barriers to client inclusion and participation. Ensure partner service providers' contribution to those assessments.
- Support clients in transition to greater independent living and community participation through skill development.
- Discuss on an ongoing basis with clients how crises can be managed and help to create a safety/crisis plan. Use of conflict resolution and crisis intervention skills as needed.
- Use of supportive counseling techniques to assist clients to gain self-confidence and progress in their goals.
- Develop a transition plan with the client and their supports and facilitate a clear understanding of the reasons for discharge from the service and re-admission process.
- Clients will be made aware of their right to privacy, how their personal health information is kept secure, and how and under what circumstances the agency will collect, use or disclose their personal health information.
- Clients will be made aware of the agency's complaint process and how to access it.
- Develop and maintain effective working relationships with key supports and resources and connect the clients to those resources.
- Maintain program and agency documentation as per Fred Victor policies including OCAN, CCP and case notes.
- Maintain confidentiality as per "Personal Health Information Protection Act" and Fred Victor policy.
- Work with the direct Manager to utilize clinical supervision appropriately.
- Actively participate in staff meetings.
- Participate in agency and other meetings and initiatives as required.
- Promote the values, vision, and mission of Fred Victor.
