

Household Cleaning Items Drive

The Details:

Drive Length: 1 month (flexible)

Location: Your office or community space

The Need:

When our clients move into a housing location, they often don't have any cleaning supplies. They also struggle to cover essential expenses and don't have any money to buy cleaning supplies. Being able to keep one's home clean is important for one's mental health, and to demonstrate that you are a responsible renter. Help us welcome clients into a new space by providing these items!
